

**2011 San Jose Jazz Festival – Community Corner**

**APPLICATION FORM**

**COMMUNITY CORNER** is an intersection between festival attendees and local/regional nonprofits. It's an opportunity for these organizations to engage in community outreach at the San Jose Jazz Festival.

San Jose Jazz provides each participating nonprofit with a 10' x 10' tent, one table, and two chairs – at no cost – in an area that has substantial foot traffic. The idea is to put participating nonprofits in a position to reach out to the public, provide handouts, tell their story, solicit volunteers, or whatever each organization believes meets their organization's mission and engages festival attendees.

Each organization will be given four tickets for each day (Saturday & Sunday). If additional tickets are needed, they can be purchased (\$15 if purchased early online or \$20 at the gate). **COMMUNITY CORNER's** hours are Noon to 6pm. Note: Electricity not available in the booths. If your organization agrees to participate, you agree to have people staffing your tent during those hours.

**COMMUNITY CORNER IS SPONSORED BY APPLIED MATERIALS**
